When it has to be fast,
it better be easy.

MOOG REPAIR KITS MAKE IT EASY

For MOOG a repair kit is the complete assembly of a family of steering and suspension parts under one part number that can and should be replaced at once, to benefit both installer and driver.

- ✓ *Increase safety*
- ✓ *Improve driver comfort*
- ✓ *Increase vehicle performance*
- ✓ *2 year warranty*

1. Suspension ARM REPAIR KIT

Includes bushes, ball joints and stabiliser link bars, and the nuts, bolts, washers

- Everything required to repair the left and right front axle wishbones
- Clear removal / installation instructions with torque values included

2. MULTILINK SUSPENSION REPAIR KIT

Allows all replaceable front axle components to be repaired in one job

- Designed for the complex multilink suspension systems
- Decreases potential vehicle down-time and repair cost for the driver

3. REAR AXLE REPAIR KIT

Includes washers, bearings, sleeves, nuts and bolts

- Repairs the rear axle trailing arm which attaches to the torsion bar
- Prevents knocking, poor road-holding and uneven tyre wear

4. STEERING RACK GAITER KITS

Kits contain left and right gaiters, sachet of grease, and 4 plastic ties

- Protects the rack & pinion system to avoid any risks of steering block up
- Protects from external pollution (water, dust, mud, sand, stone)

MAKE IT EASY. MAKE IT MOOG.

Steering and suspension repairs are often a labour-intensive, time-consuming job. MOOG makes it easy. Installers will find a wide range of parts for passenger cars and commercial vehicles in a user-friendly catalogue. With one of the industry's best part coverages, MOOG has what you need.

MOOG MAKES IT EASY FOR YOU

STANDARD PRACTISE WITH ALL MOOG PRODUCTS

MOOG has developed a range of repair kits to ease the life of installers and distributors for:

- Rear axle suspension
- Multi-link systems
- Steering rack gaiters
- Suspension arms and
- Wishbone mounting bolts

For MOOG a repair kit is the complete assembly of a family of steering and suspension parts under one part number that can and should be replaced at once, to benefit both installer and driver.

Your advantage:

- Easy to order – only one part number
- Graphic removal and fitting instructions included
- 2-year-warranty

Advantage for your customer:

- Increases safety and performance
- Fewer worn parts are re-used
- Limits the number of repairs
- Limits the overall cost of labour
